

# "21<sup>st</sup> Century/Beyond the Bell"

## Summer Activity Program

### Registration

We are fortunate to have two programs in our school district that benefit kids and parents during the summer months. We are again continuing the "Beyond the Bell" program and incorporating it with the "21 Century" program that started last school year. This program is open to all students entering Kindergarten for the 2020-2021 school year or older. 1<sup>st</sup> Priority is given to Tier 1 students (Parents who work in Healthcare or critical sectors). Tier 2 and 3 (All other work areas) are also eligible if there is room in the program. Social Distancing practices will be used and guidelines by MN Department of Education and MN Department of Health will be followed.

**The Plan:** The program will run very much like it did last summer. Free Breakfast and Lunch will be provided to all participants. Our hope is to provide transportation to and from the school from the hub towns if there is enough interest. Bus would run in the morning and after lunch each day. At this time Summer Recreation and Swimming lessons has been postponed.
