Re: Win-E-Mac School Reminders

Our work together to slow the spread of COVID-19 by wearing face coverings, maintaining 6-8 ft. social distance, avoiding large gatherings, practicing good hand hygiene, holding virtual meetings and staying home when feeling ill has helped keep our early learning through high school students in school for 11 good weeks. It is a major goal to keep our youngest learners in school full time for as long as possible and we feel we are successful in doing that.

I would like parents to make plans now if the Win-E-Mac School needs to move to a K-12 distance learning model quickly. Our County numbers together with Community spread is alarming. It is difficult to hold school the next day if there is a lack of staff available to do their job. We are entering the holiday breaks and with the growing county numbers and our staff going home due to exposure we need to be aware of change. **The school day will also be shortened beginning Monday, November 23 in which school will now dismiss at 2:24 p.m. until further notice.**

*** "The Behavior of the Community will determine the Model of Instruction used in our School"

New Schedule beginning Monday, November 23.

Monday, November 23 - Normal School Day, with dismissal at 2:24 pm.

Tuesday, November 24 – Staff Planning Day, No students

Wednesday, November 25 – No Students and No Staff

Monday, November 30 – New schedule with continued bus routes

Pre-K – 4 All students in person every day. Preparations and instruction made to classrooms similar to the Hybrid model.

5 – 12 Distance Learning
Teacher recommendations for selected students, special service students,
and at-risk students to be in school. Sports will be on pause until December 18.

*** If you are in need of Food Delivery while your students are in distance learning please go to this link:

Patrons of Win-E-Mac:

On Friday, November 20 the Fitness Room at the School will be closed at 3:00 pm until further notice due to the recent Governors Order. I am sorry for the in-convenience, but we need to look out for the safety of our staff, students and the public. We are cleaning very thoroughly during our closure.
