Win-E-Mac School District Community:

We were notified that several members of our school community have tested positive for COVID-19. It is possible the person(s) was able to spread the disease while attending school. We cannot, for privacy reasons, share details about the person. At this time, they have been told to stay home and away from other people until they are well and can no longer spread the disease.

We have also identified those who were in close contact with the person who tested positive for COVID-19.

If you have not been contacted, you or your child is not considered a close contact.

You should continue to watch yourself or your child for COVID-19 symptoms, which include:

- Fever of 100.4 degrees Fahrenheit or higher
- New cough or a cough that gets worse
- Difficulty/hard time breathing
- New loss of taste or smell
- Sore throat
- New nasal congestion/stuffy or runny nose
- Nausea, vomiting, or diarrhea
- Muscle pain
- Extreme fatigue/feeling very tired
- New severe/very bad headache
- Chills

If you or your child gets symptoms, stay home and consider getting tested for COVID-19.

Thank you for helping to keep our school community safe.
