

What: Preschool/Early Childhood Screening is a free and simple check of how your child is growing, developing and learning.

A trained professional will check:

• Vision and hearing • Height and weight • Immunizations (shots) • Large and small muscles • Thinking, language and communication skills • Social and emotional development

Who: Preschool/Early Childhood Screening is open to all children, ages three years old and up, who have not been screened. Children must be screened before entering preschool and kindergarten.

Where: Polk County Public Health (Bjella Building) in McIntosh

Contact Heather Earls at Win-E-Mac to set up an appointment time for your child to be screened.
