To: Members of the Fitness Room after hours program

On March 20th, 2023, the school will be beginning a Locker Room construction remodel to the older rooms. We will be closing off the Fitness Room locker rooms for all outside patrons until June. The school will need to use these rooms for instructional purposes. We will leave the bathrooms located on the opposite side of your entrance, open for your use. If you have items which belong to you in the fitness locker rooms, please remove them. Thank you for your patience on this matter. If you have any questions please call the District Office @ 218-563-2900.
